

Competitive Dress Code 2020 - 2021

All Competitive Team members require the shoes and attire listed below. Students not dressed accordingly for ballet (including a ballet bun), will not be allowed to participate. Students not adhering to the dress code for all other classes will participate at the instructors' discretion.

Students may be required to wear a different colour or type of shoe and/or tights for competition and performances. This will not be decided until later in the season once performances are confirmed.

Please note:

- **New for this year:** Teams will remain in the same room for all classes. Dance bags will go into class with students. On days they have ballet, ballet attire must be worn. Students may add or remove layers if they wish, but pink tights and a black bodysuit are sufficient and recommended for all classes. We strongly recommend adaptatoe tights so students may bring up their tights when not in ballet and wearing different shoes.
- The change room will be closed until further notice and students will not be able to change in the restrooms.
- Dance attire may be purchased from any dancewear supply store. We recommend Dance Plus (1-844 McLeod Ave, Winnipeg 669-1606) or Harlequin (375 Hargrave St, Winnipeg 943-6400).
- No jewelry is to be worn in class. Not only is it a distraction, it can be lost or lead to injury.
- Cell phones may not be in use, and must remain in students' dance bags on silent during class time.
- Dance shoes should never be worn outside.
- Dancewear is expected to be kept in good repair and laundered on a regular basis.
- Students are expected to observe good personal hygiene habits. Deodorant is required for students' ages 10 and older.
- Evolution Dance Company is not responsible for lost or stolen items.

*All students will be required to have a new pair of Sansha ballet slippers for recital and competition.

**Mary Jane shoes are OK until two months before the first performance.

***We recommended dancers wear the adaptatoe ballet tights so dancers can roll up tights if they'd like to go barefoot, or wear socks in their other dance shoes. Dancers will prepare for their next class in the studio. Dancers will remain in the same studio each day.

Please note: Students may wear their shoes from last season (even if different than noted above as long as they were on an EDC team) until they outgrow them or first performance, whichever is first.
