Winter Cancellation Policy

In the event of inclement weather or poor driving conditions, classes may be cancelled as many of our faculty and staff live outside the City of Selkirk. If classes are cancelled, emails and text messages will be sent to inform the affected students. Please also check our Facebook and Instagram for studio closure updates. A decision will be made by **2pm weekdays**, and by **8am on weekends**. Please note: we do not necessarily follow school closings, as roads may clear and weather may improve or worsen by the time classes begin.
